

New Features on Bailamos-Dance.com

Contributed by Administrator
Thursday, 24 May 2007

New features on Bailamos-Dance.com had been released. User could make their own homepage. Check it out at User Home Page. This feature is not released to all users yet, the users that already given this features will appeared at the user home page directory. If you think you need your personal pages and not granted the access yet, you could ask the administrator via email or shout it at shoutbox.

The user could use this personal page for anything that related to dancing or Bailamos-Dance.com (as long not opposing law, flaming, or other contents that not good for the community).

Example for use e.g :

- Your personal profile
- Your personal advertising
- Your personal opinion
